Evansville Christian School offers children in our community a summer program that promotes school readiness and early literacy development, presented in a positive, nurturing environment.

Our program is aligned with Indiana State Standards, including the new Common Core Standards. Research suggests that programs promoting reading readiness positively impact children's ability to transition to the school environment and be successful.

Staffed with licensed teachers and assistants, **Ready for Reading** exemplifies our commitment to academic excellence.

Ready for Reading uses a curriculum developed exclusively by our teachers. It employs research-based practices with strong emphasis on reading and Kindergarten readiness. It incorporates basic literacy components: Letter Sounds, Word Building, Alphabet Recognition, and Word Families.

Ready for Reading follows a balanced agenda of teacher instruction, reading time, and hands-on interactive play.

To partner with parents, materials are sent home with students to enhance learning at home. Parents are invited to attend the last class and join in our celebration of reading.
