

Evansville Christian School
BUS TRANSPORTATION FORM
2016/2017 School Year

Revised: January 4, 2016

For the 2016/2017 School Year, ECS will offer bus transportation among our East, North, and Cullen Avenue (6th-8th Grade) campuses. If your child(ren) will be riding the bus, you must turn in a new Form each year before he/she rides the bus. We will confirm your place on the bus before school starts. The times and locations are subject to change depending on factors, including road construction.

If the bus is only used one-way (before or after school), the cost will be \$35/month for the 1st child and \$5/month for the 2nd child (\$40 max/family). **If the bus is used both ways** (before and after school), the cost will be \$60/month for the 1st child and \$10/month for the 2nd child (\$70 max/family). Irregular riders may ride depending on space for \$3.00 per trip (no discount). There is NO charge for families with students at multiple campuses (due to grades offered), students who ride the PM bus from North to East campus for after school care (pay for ASC only), students who ride the AM bus from East to North (pay for BSC if desired), or for the first year after families have completed grades at our North Campus. *Families are allowed one change in bus service per semester.*

Due to space limitations, priority will be given to families with students at different campuses, then based on space and the date this form is received. See the Bus Rules in the Student Handbook.

Once you turn in a completed form, and we confirm that you may ride, you do not need to contact the school office to let us know if your child(ren) will be riding on a particular day. If you indicate below that your child will be riding the bus after school, we will assume that he/she is riding the bus unless you contact the school office regarding a change.

RETURN THIS FORM BY JUNE 1, 2016

The times below represent the time that the bus will depart the designated locations and are approximate, depending on traffic conditions, construction, and weather. Parents are expected to be at the bus stop at least five minutes before the scheduled time. For safety reasons, once the bus starts to move, the driver will not stop for late riders. Further, students will not be allowed to get off the bus until a parent or authorized pick-up person comes to the bus to receive the child. If you are not at the drop-off when the bus arrives, your child will be transported to our East Campus and placed in after school care (drop-in care charges will apply).
