In addition, ECS administers a tuition assistance program to supplement the State programs and for families who do not qualify for the State programs. These programs work together to provide low- and middle-income families with a choice of the best school to meet their needs and support their values. We encourage all families with potential financial needs to inquire about the programs. Contact the school office for current information and applications.

## **STATEMENT OF AGREEMENT**

I certify that all statements provided by us are true. Further, in making application for my child, it is my desire to have him/her complete the school year. I understand that admission to Evansville Christian School is a privilege and not a right. I understand that ECS has a religious purpose; that it is a religious school which adheres to biblical standards in teaching and conduct; and that breach of this standard may lead to dismissal of the student.

I understand that Evansville Christian School promotes a biblical worldview based on their Articles of Faith. While students are always encouraged to ask questions about beliefs of biblical faith and other faiths, it is not permitted to actively promote a worldview outside of what ECS endorses through its Articles of Faith.

I commit to cooperate with the teachers/staff and accept the responsibility of obeying the rules by which the school is operated, including those contained in the Family Handbook (available online or may be viewed in the school offices). I commit to resolve all school-related conflicts by applying Biblical principles and in accord with the teaching of Matthew 18:15-17.

I/We hereby attest that I/we have primary/joint legal/physical custody of my/our child and that no other person has primary/joint legal/physical custody of the student. I/We acknowledge and agree that ECS may release the child to the custody of any person possessing primary/joint legal/physical custody of the student and to any person duly authorized **in writing** by any person possessing primary/joint legal/physical custody of the student. I/We promise to notify ECS immediately **in writing** of any change regarding which persons have primary/joint legal/physical custody of the student and any change regarding the authority of ECS to release the student to the persons designated above. Additionally, I/we promise to notify ECS immediately **in writing** of the existence of any custody dispute involving the child, including any custody dispute existing at the time of this Agreement.

I agree to meet my financial obligations as indicated above and as due. I understand that the application, commitment/registration, book/supply, and technology fees are non-refundable. Further, if the book/supply fees, technology fees, and August 1 tuition are not paid as due, ECS reserves the right to withdraw my child.

I understand that I am responsible for any collection costs incurred in securing payment on my account if it becomes delinquent, including those in the collection process. Further, I understand that I may be contact by email, pre-recorded voice message, dialing devices, and/or any number in the student file. If the past due account is assigned to a third party collection agency, a collection fee equal to 50% of the unpaid balance will be added to the account. I agree to pay any attorney fees, or other legal fees incurred in the collection process.

I understand that if a language other than English has been indicated, my child will be tested to determine if they qualify for English language development services. If entered into the program, I understand my child will be entitled to English language development services, which are limited to minor modifications of the educational program, and will be tested annually to determine English proficiency.

If I need to withdraw my child, I understand a written or electronic notice must be provided. Further, I understand that my account will continue to be charged until notice is submitted. Upon notice, I will be released from future tuition obligations; however, I understand that my student's records will not be released until our account is paid in full.

I give permission for my child to take part in all school activities, including athletics and school-sponsored trips away from the school premises, and absolve the school from liability to me or my child because of any injury to my child at school/during any school activity.

I understand that during the course of the school year, my child's likeness may be captured in photographs or video. I agree to allow Evansville Christian School to use photographs or video footage of my child for promotional purposes, with the understanding that names will not be associated with pictures without my expressed consent.

I give permission for information regarding my child's medical condition, treatment and/ or allergy to be shared with staff, faculty, and coaches as needed. If my child is in need of immediate medical attention and I cannot be contacted, I give permission for any necessary treatment by medical personnel. I/We also waive and release ECS from any liability in regards to this circumstance.

*I have read, understand, and agree to be bound by this Agreement and the policies and standards contained in the Family Handbook. I/We have also reviewed the policies and standards with my child and I will be responsible to make sure that he/she and I will follow the policies and standards in the Family Handbook.*
