## **STUDENT COMMITMENT**

I have completed this form in my own words and handwriting. I have reviewed Family Handbook (available online and in the school offices) and agree to follow the policies and standards contained in it, including the Agreement Regarding School-Provided Internet Access.

I understand that Evansville Christian School is committed to the teachings and principles contained in the Bible and is dedicated to the glory of God. Further, ECS has high expectations for all students, including spiritual, academic, physical, and emotional development. The school's desire is for me to achieve my God-given potential and to impact the world for Christ.

I understand that Evansville Christian School promotes a biblical worldview based on its Articles of Faith. While students are always encouraged to ask questions about beliefs of biblical faith and other faiths, it is not permitted to actively promote a worldview outside of what ECS endorses through its Articles of Faith.

The behavior of every ECS student directly affects the reputation of the student, his/her family, ECS, and the Lord Jesus Christ. Thus, and in keeping with ECS' high standards, the school places a strong emphasis on behavioral standards and good attendance, including being to school and class on time. Students at ECS are expected to put forth their best effort, respect authority, and honor God. Students are not to be involved in illegal/immoral activities; speak or act in an obscene/profane manner; or exhibit threatening/disruptive behavior.

My signature below is an acknowledgement that I understand the nature of the spiritual, behavioral, physical, and academic standards of ECS, and that I agree to be held accountable for any violations of these standards. My signature further evidences my desire to be a member of the Evansville Christian School student body.
