

# Evansville Christian High School

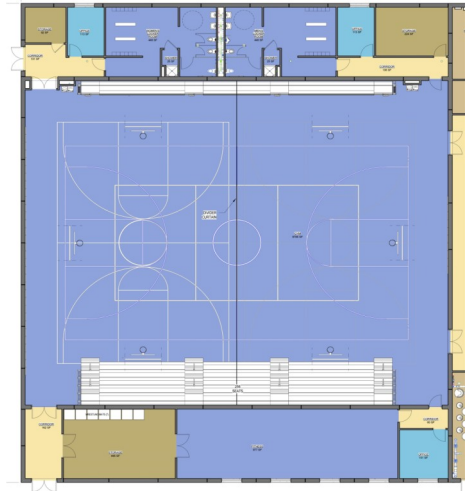

THE TIME IS NOW TO.....

## Seed the Next Generation

On April 29, 2016, the School Board approved the construction of Evansville Christian High School and enrollment of the 9<sup>th</sup> grade class for the 16/17 school year. This is an answer to the prayers of many and will impact this community for generations. We are thankful for all those who have supported the project, as we work together to create a Kingdom testimony.

Specifically, the board approved, for \$6.8 million, acquisition of the land, completion of site development, and construction of the academic portion of the building (31,000 square feet). Additional information is on our website and click on the High School tab ([www.EvansvilleChristian.org](http://www.EvansvilleChristian.org)).

Our goal now is to add the gym portion of the facility in this phase. It is significantly less expensive to build it now rather than come back as a separate project at a later date. The gym will include an additional 13,000 square feet (with a full-size gym, a large fitness room, and locker rooms).

**To add the gym, we need to expand our support, including donations of all sizes, and raise about \$1 million. We are seeking pledges at this time; however, actual donations may be made over time.**

Please prayerfully consider being part of the next exciting chapter in God's plan for ECS. Your commitment and gifts are always kept in the strictest confidence. A commitment is not a binding contract. We ask you to give us an estimate so we can plan accordingly.

*Let each one do just as he has purposed in his heart; not grudgingly or under compulsion, for God loves a cheerful giver.*
