ParentsWeb

Evansville Christian School
Updated: December 1, 2015

RenWeb, our School Management System, gives you, the parent, tools to be more involved in your child's academic progress and success! **RenWeb's ParentsWeb** is a secure website which allows you to see information specific to your child. You can view your child's announcements, grades, attendance, homework, and conduct, as well as other school information. You can also email teachers, check account balances, and make payments. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb's ParentsWeb**:

- Open your internet browser (Firefox is the most compatible browser) and go our school's website (www.EvansvilleChristian.org)
- Click on RenWeb logo found at the top of our home page – the following screen will appear

1. Enter the District Code (ECS-IN).
2. Enter your user name (if you did not setup a name, it defaults to your email address).
3. Enter your password (note that it is case-sensitive).
4. Be sure the "Parent" button is selected and click the "Login" button.

Powered by RenWeb

- For **First Time Users**, click the "Create New ParentsWeb Account" and a new screen will appear:

1. Enter the school code (ECS-IN), email address that you provided to the school, and click "Create Account."
2. You will receive an email from Renweb with a link to click to set up a password for the account. For security reasons, the link will only be valid for 15 minutes.
3. Enter your desired User Name (you may use the email address)
4. Enter your desired Password; confirm the password; then click "Save Password."
5. Then, you will need to close the window and login again as instructed above.

< Back to Login

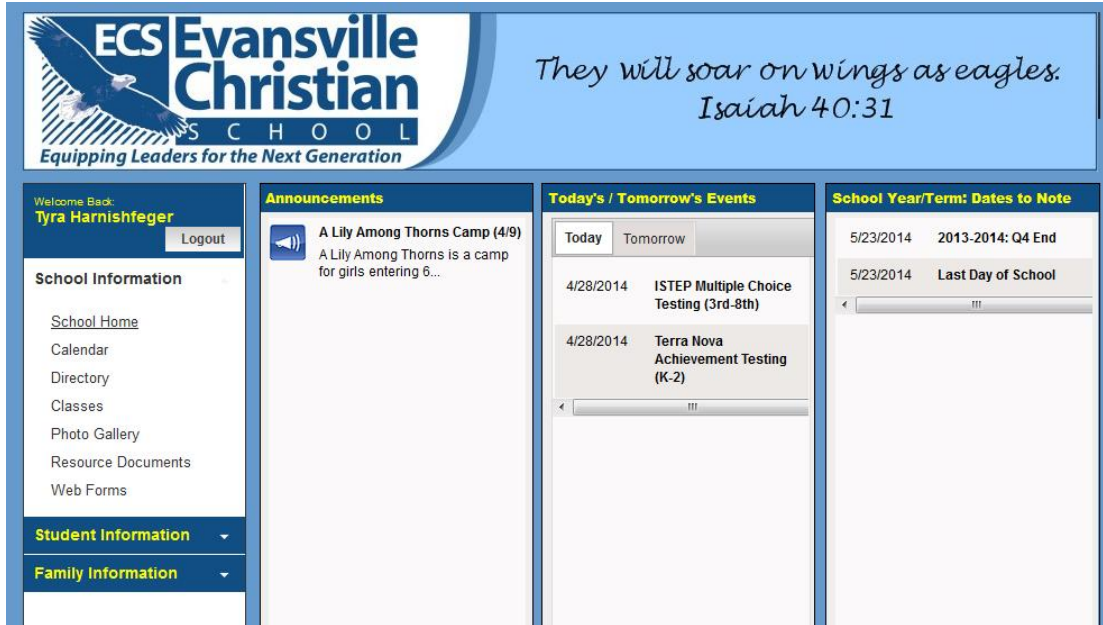

- If you forget your user name or password, click the "Forgot Password?" button and you will be prompted to enter your email address. An email will be sent to you, valid for 15 minutes, with a link to reset your password. When you click on the link, it will also display your user name.

To learn more about ParentsWeb, see the **Tip Sheet** (on back) for where to look for important information.

We look forward to your participation. We are excited that you will participate with us as partners to educate your student. Please call the school office at (812) 477-7777 if you have any questions.

ParentsWeb Tip Sheet

ParentsWeb organizes and displays school, student and family information from a series of three dashboards. Be sure to watch the on-line tour of ParentsWeb by clicking on the Tour button. Once you log-in to ParentsWeb, you should see the main screen as below:

On the **School Information** dashboard, look for school-wide announcements (click on one to see details). Click on Directory for family and staff contact information. Click on Resource Documents to view and print important pages such as menus, newsletters, required forms, PTF forms, permission slips, etc.

On the **Student Information** dashboard, you will view grades, attendance, and behavior. In the resources section under your child's homeroom class, **PK-5th** parents can find a link to the classroom website. On this website you will find homework, classroom information, and curriculum resources.

In the resources section under each class, **6th-8th** parents can find a class website for each teacher. On this website you will find classroom information and curriculum resources. 6th-8th grade students will also have an additional link to a *Homework, Test, Quiz, and Project Calendar* for their grade level (information is finalized by 4:00 PM the preceding Friday for the upcoming week).

On the **Family Information** dashboard, you will view your profile, including demographics, emergency contacts, account balance, PayNow access, and change your password. You can also change some information through WebForms.
